

LESS DRIVE TIME, MORE ME TIME.

Commuting to work is tough on you and your vehicle. Do what many of your fellow DFW commuters are doing and take the easy route with a DART Corporate Pass. Your car has been parked at home for year now, why not continue to save money by not driving to work? Think about it, with no gas, tolls, parking or wear and tear on your car, you'll not only save a bundle, but you'll also save your sanity.

The Perks

SAVES MONEY

Taking DART instead of driving can save you up to \$8,500* a year on things like gas, tolls, parking and vehicle maintenance and repairs.

REDUCES STRESS

Work is hard enough without the added stress of a brutal commute. Riding DART is a much-needed calm before the storm where you can relax and recharge.

GET TIME BACK

Instead of wasting time fighting traffic, riding DART gives you time to listen to your favorite podcast or read a best-selling book.

DEPENDABLE SCHEDULE

Thanks to DART's consistent schedule you don't have to worry about an accident or bad weather making you late for work.

LOWERS CARBON FOOTPRINT

We're all concerned about the effect commuting has on our environment. Taking DART helps us all do more to reduce emissions.
