The Perks

REDUCES STRESS

Fighting traffic can take a toll on your employees' physical and mental health. Riding DART can improve their quality of life thus making them more productive at work.

SAVES MONEY

Taking DART instead of driving can save your employees up to \$8,500* a year in total expenses. It's like giving them a raise without affecting your bottom line.

IMPROVES RELIABILITY

DART's dependable schedule means your employees will get to work on time and that keeps your organization running smoothly.

LOWERS CARBON FOOTPRINT

Companies and employees are concerned about the environment. Taking DART helps us all do more to reduce emissions.

REDUCED RATE

DART Corporate Passes are offered at a 25% discount off of the annual retail price. It literally pays to take DART to work.
